

Hicks Morley Fellowship \$1,000 Grant Application

The *Hicks Morley Fellowship* was created to support attendance at the CICan Governance and President's Office Professionals (GPOP) annual conference. Hicks Morley supports GPOP's aim to support and encourage the sharing of knowledge; discussion of best practices; and networking opportunities with others in these specialized positions. In support of these goals, and to encourage participation, Hicks Morley established a Fellowship in 2017 for a five-year period commencing in 2018 through to 2022. The *Hicks Morley Fellowship* will provide financial assistance to enable a member to attend GPOP's AGM and Conference, which will be held prior to the Colleges and Institutes Canada (CICan) annual conference.

This opportunity is open to those GPOP members who directly support the Board of Governors or President/CEO at their institution and have held such position for a minimum of 12 months.
