CENTENNIAL COLLEGE

Established in 1966, Centennial College is Ontario's first public college primarily serving the eastern portion of the Greater Toronto Area with five distinct campuses. Centennial offers over 300 diploma, certificate and degree programs on a full- and part-time basis in business, media and performance arts, community and consumer services, hospitality, engineering technology, health care and transportation. The College places strong emphasis on global citizenship and social equity through its distinctive Signature Learning Experience, which is embedded in courses and engagement activities that promote an understanding of diversity, equity and social justice issues and that give students cultural competencies for success in a global world.
